# A LITTLE BIT ABOUT THE CONQUEST YEAR 2 CURRICULUM

In Conquest, our curriculum is based off the real questions teens have about God, their faith, the world and themselves. Each weekly activity in the Team Leader Guidebooks gives the team leader a path to lead the team to discover the answer to the question. First, we turn to the YOUCAT to find a solid catechetical answer to the question. Then the team leader goes through the 6 parts of the Conquest weekly meeting, where they gain a better understanding of the answer of the week. Each weekly meeting has at least one game, activity or experience; relevant video clips; a gospel reflection to find how Jesus answered the question and at least one saint or inspirational story of someone who discovered the answer in their own life. The curriculum can be found in the Team Leader Guidebooks and the Team Leader USB, which has hundreds of printouts.

This year we are using the YEAR TWO Curriculum Cycle and themes. The YEAR ONE curriculum will be used next year and has different themes and activities. The Conquest YEAR TWO High School Series is an in depth study of the YOUCAT with handouts each week that contain the YOUCAT numbers, gospel reflections, saint stories and some team discussion questions.

# CHALLENGE AND CONQUEST ARE POWERED BY ECYD.

**ECyD** stands for **E**xperiences, **C**onvictions, and **Y**our **D**ecisions

ECyD is an international Catholic association of youth who participate in programs or activities that spark specific experiences, convictions and decisions that mark their Christian way of life and encourage them to build a lasting friendship with Christ and be his apostle.

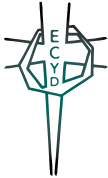

Each Conquest club leader can decide whether or not to use these tools and methods to help the kids grow in their prayer life. At the beginning of the year, you can present these spiritual elements to parents and the boys.

You can find the Pledge Ceremony Guidebook, Pledge cards and symbols for each grade on the ECYD store [www.store.missionnetwork.com](http://www.store.missionnetwork.com).

There is also a ceremony card that the kids and parents can use.

ECYD provides a gradual path to grow in friendship with Christ, develop prayer life and virtue.

Prayer is the starting point and way to sustain friendship with Christ. That is why part of the ECyD method is to encourage kids to make a Friendship Pledge to Christ. To help the kids live out this pledge of friendship, we provide them with Pledge Cards and Symbols for each grade with suggestions and ways they can grow in their friendship with Christ. The Pledge Card has a simple list of prayers, actions and attitudes that they can live out to grow in virtue each day. Each year when the kids renew their pledge to Christ, they receive a new pledge card and a symbol, which will encourage or help them learn a new prayer or virtue. The Pledge of Friendship is made in a simple ceremony which can be a powerful personal experience of one's Catholic faith.
