

I need to have a new relationship with God: deep, real, captivating and founded on the truth.

I need to understand myself and be myself.

I need to have fun, enjoy life and fill my mind and time with good things.

I need to know I am important; I am called to be a hero.

I need to love and be loved just as I am.

I need to be a friend and have friends.

I need to be part of something with my friends.

I need to have positive role models for my life.

I need to understand the meaning of my sexuality.

I need to understand the world around me.
