

# HIGH SCHOOL "DIG DEEP" SERIES

The Challenge and Conquest High School Series has a few things that make it different from the middle school series. The Year One Curriculum is an in-depth study of the YOUCAT with fun, relevant games and activities. The Year Two Curriculum for High School is called the DIG DEEP series. It is about laying deep foundations and each week is an opportunity to dig down and find the answer to one of these questions. There is a weekly discussion guide that can be printed each week.
