

WHAT VIRTUES DO I LIVE BY?

#299: WHAT IS MEANT BY A "VIRTUE"? A virtue is an interior disposition, a positive habit, a passion that has been placed at the service of the good. "You, therefore, must be perfect, as your heavenly Father is perfect" (Mt 5:48). That means that we must change on our way to God. By our human abilities we can do that only in fits and starts. With his grace God supports the human virtues and gives us, above and beyond that, the so-called supernatural virtues, which help us to come closer to God and live more securely in his light.
