

WHY DO PEOPLE SUFFER? CAN I HELP?

#51 IF GOD IS ALL-KNOWING AND ALL-POWERFUL, WHY DOES HE NOT PREVENT EVIL? "God allows evil only so as to make something better result from it" (St. Thomas Aquinas). Evil in the world is an obscure and painful mystery. Much about it is incomprehensible. One thing, though, we know for sure: God is 100 percent good. He can never be the originator of something evil. Christ's death and Resurrection show us that evil did not have the first word, nor does it have the last.

#66 WAS IT PART OF GOD'S PLAN FOR MEN TO SUFFER AND DIE? God does not want men to suffer and die. God's original idea for man was paradise: life forever and peace between God and man and their environment, between man and woman. Because sin crept in, Adam and Eve had to leave paradise, in which they were in harmony with each other and with God. The toil of work, suffering, mortality, and the temptation to sin are signs of this loss of paradise.
