Scratch the head of someone on another squad

Whisper in the team leader's ear what your favorite part of Conquest is

# CONQUEST

7TH & 8TH GRADE  
ACTIVITY

Sit cross legged on the floor/ground and sing the National Anthem audibly while holding your nose so it is plugged... “Oh say can you see....”

Try to do a handstand (head and hands touching the floor) and list at least 4 of the Ten Commandments.

Jump over the chair 5 times while singing, “Jack be nimble, Jack be quick, Jack jump over the candlestick.”

Run back to your squad, grab the biggest boy (other than yourself) and leapfrog with him from the starting line back to the chair.

Do whatever you want except talk until someone says your name. (You can't tell them to say your name – or ask them what your name is)

Keep saying “I will not do this one” until someone on your squad tells you to do it anyways.

Switch one random instruction in your jar with a random instruction in another jar. Then put this instruction in your mouth and chew on it and take it out and give it to someone else close by. (Don't swallow it though!) If you got this wet chewed on paper say “YUCK!”
