## SAINTS & INSPIRATIONAL STORIES

### ST. JOHN VIANNEY

The French Revolution forced many loyal priests to hide from the government in order to carry out the sacraments in their parish. In order to attend Mass, even though it was illegal, the Vianney family travelled to distant farms where they could pray in secret. Since the priests risked their lives day by day, and John began to look upon priests as heroes. John became a Priest and spent much of his time in the confessional and gave homilies against the lack of faith. He came to be known and thousands of people from distant places began traveling to consult him.
