

HOW DO I MAKE THE MOST OUT OF MY LIFE, AND USE THE TIME GOD HAS GIVEN ME?

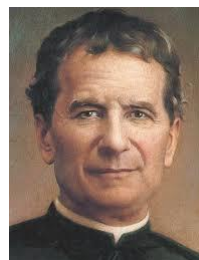

#49 DOES GOD GUIDE MY WORLD AND MY LIFE?

Yes, but in a mysterious way; God guides everything along paths that only he knows, leading it to its perfection. God influences both the great events of history and also the little events of our personal life, without reducing our freedom.

SAINTS & INSPIRATIONAL STORIES

ST. JOHN BOSCO

St. John Bosco was born in Italy in 1815 to a poor family. He did not go to school yet when he was 9, he started dreaming of his future in helping troubled boys. He became a priest and his mother helped him take in orphans. He wanted to start his own religious congregation to help troubled boys. Bosco gathered a group of seminarians and formed the Salesian priests and brothers, the religious order that would carry on his work to this day. He believed that to teach boys should know they are loved. He pointed to three components: reason, religion and kindness.

ST. JOSEPH

Everything we know about the husband of Mary and the foster father of Jesus comes from Scripture. We know Joseph was a compassionate, caring man and a hard working carpenter who took care of his family, Mary and Jesus. He was obedient to God when God sent an angel in a dream to tell him what to do. We celebrate two feast days for Joseph: March 19 for Joseph the Husband of Mary and May 1 for Joseph the Worker.
