## ANSWERS

**Question 1:** Intellect, Will and Feelings/ Emotions.

**Question 2:** Love and Hate.

**Question 3:** Because the things are good or bad for us.

**Question 4:** Passions are not bad. God gave us passions to do good.

**Scenario 1:** I feel hope because there is a good I think is possible (marrying him)

**Scenario 2:** I feel joy because the “good” I have worked hard to achieve (good grades) happened.

**Scenario 3:** I feel fear of a possible evil (tornados) that could come our way.

**Scenario 4:** I am sad because the good I want (lime green) – I am not able to get.

**Scenario 5:** I am angry because the “bad thing” is inevitable and I want to avoid it.

**Scenario 6:** The good ( her friendship) is gone and that makes you sad.

**Scenario 7:** The good ( being tall) that I want is not possible, and that makes me sad.

**Scenario 8:** Trump my mood with my mind, will and heart. Know that I can do this with allergies and put my willpower towards doing it.

**Scenario 9:** Trump my mood with my mind and will. I know the sun will come out and I can do fun indoor things if I put my will into action.
