

HOW CAN I LEARN TO ACCEPT PEOPLE AS THEY ARE?

#59 WHY DID GOD MAKE MAN? God made everything for man. Man, is “the only creature on earth that God has willed for its own sake” and was created in order to be blessed. This happens when he knows, loves, and serves God and lives in gratitude toward his Creator. Gratitude is love that has been acknowledged. Someone who is grateful turns freely to the giver of the good and enters into a new, deeper relationship with him. God loved mankind. For their sake he created the cosmos; he subjected everything on earth to them; he gave them the ability to speak and understand; he permitted them alone to look up to heaven; he formed them after his likeness; he sent his Son to them; he promised them the kingdom of heaven, and he will give it to those who love him.

SAINTS & INSPIRATIONAL STORIES

ST HELENA

St Helena lived in a time where most people did not believe in Christianity – even in her own family. She was a great example of her faith and never gave up hope on anyone, especially her own son. This patience and love for people, helped her son Constantine to be inspired by her and spread Christianity throughout the Roman Empire.

ST BLASE

St Blasé was a martyr, priest and doctor. He is remembered for his faith and the miraculous cures that he performed. He is a great example of how God can choose anyone to be an instrument of his love and kindness. If we are open to other people and able to see that God could work through them, our lives will change.
