

WHAT IS HEAVEN LIKE? ARE SAINTS REAL?

#52 WHAT IS HEAVEN? Heaven is God's milieu, the dwelling place of the angels and saints, and the goal of creation. Heaven is not a place in the universe. It is a condition in the next life.. If with God's help we arrive someday in heaven, then waiting for us will be "what no eye has seen, nor ear heard, nor the heart of man conceived, what God has prepared for those who love him."

#342 ARE WE ALL SUPPOSED TO BECOME SAINTS? Yes. The purpose of our life is to be united with God in love and to correspond entirely to God's wishes. We should allow God "to live his life in us" That is what it means to be holy: a "saint". Only in holiness does man become that for which God created him. Holiness, is not some sort of self-made perfection; rather, it is union with the incarnate love that is Christ.
