SECTION I – Goals, Membership and Structure

Chapter 1: Goals

1. Provide a fun, safe and rewarding atmosphere in which young boys (K-4th grade) are able to develop solid, healthy, lasting friendships with other boys the same age.
2. Introduce young boys to Jesus Christ as his best friend through stories of the Saints and instruction in the Catholic Faith.
3. Provide extensive opportunities for fathers to involve themselves, alongside other fathers, in not only their own personal formation, but also the effective formation of their son(s).
