

WHAT DEFINES ME?

#58: What does it mean to say that man was created “in

God’s image”? Man is a person endowed with a spirit. Man is not a something but rather a someone. He can perceive others as persons, understand them in their dignity, and love them. Of all the visible creatures, man alone is “able to know and love his creator” Man is destined to live with him in friendship.

#62: What is the soul? The soul is what makes every individual person a man: his spiritual life-principle and inmost being. The soul causes the material body to be a living human body. Through his soul, man is a creature who can stand before God as an irreplaceable individual.
