

## HOW DO I KNOW WHAT I SHOULD DO WHEN I GROW UP?

**#279 Why do we need faith and the sacraments in order to live a good, upright life?** If we were to rely only on ourselves and our own strength, we would not get far in our attempts to be good. Through faith we discover that we are God's children and that God makes us strong. When God gives us his strength, we call this "grace". Especially in the sacred signs that we call the Sacraments, God gives us the ability actually to do the good that we want to do.

**#352 What is the meaning of the commandment, "I am the Lord, your God"?**

Because the Almighty has revealed himself to us as our God and Lord, we must not place anything above him or consider anything more important or give any other thing or person priority over him. To know God and to serve and worship him has absolute priority in our life.
